

# What is Starfleet?

Based Upon “Star Trek”

Created By

Gene Roddenberry

**Starfleet is an non-profit aid organization.**

This organization has the goal to be a worldwide community where we all work together for a better world and future.

Helping those in need, aiming for peace, and the goal that everyone deserves our ideals, water, food, and a safe space and home and many more.

(The name of Starfleet is inspired by Star Trek’s Starfleet from the TV series of ST:TOS, ST:TNG, ST:DS9 and ST:VOY.)

In Star Trek, Starfleet is an organization with big ideals like integration, peace, tolerance, to the truth and many more.

**If you do not know Star Trek, it is absolutely not a problem. This organization is for everyone.**

We plan to be here also for people that have problems to socialize, people that live in isolation, homeless, unemployed or/and hopeless.

We want to work on solutions to get people back into society, or creating safe spaces for people that can’t right now.

Furthermore, we work on different departments and uniforms for our members.

Also it’s important to us that everyone can bring in own ideas what we can work on next.

We plan that we can also pay people for their work, but initially and at the moment we cannot do this. Not because we don't want to, but because we currently plan on “only” having donations and membership fees as income. But we are working on this, and as soon it is possible, we will let our members know.

## Our ideals and rules:

- Every member is important and worth the same
- Truth, kindness, politeness, acceptance and tolerance, loyalty and cohesion are absolute essential for Starfleet
- It is ok, to make mistakes and it is ok to not to be perfect, we accept you, how you are
- No judgment about other people: This is something that does not happen over night, for myself it took me a lot of time to get away from that, but it works, if you want it
- Together we work for a better world and future, I want that people can believe in a better world again, and together we can achieve this. Not overnight, but we get there!
- Every member has the right of self-determination
